Private Limited

Our vision

To be among the top 5 in Providing Ethical Humane and Environment friendly heavy equipment based Material Handling & Logistic services and comprehensive Engineering solution in Ports and Industries.

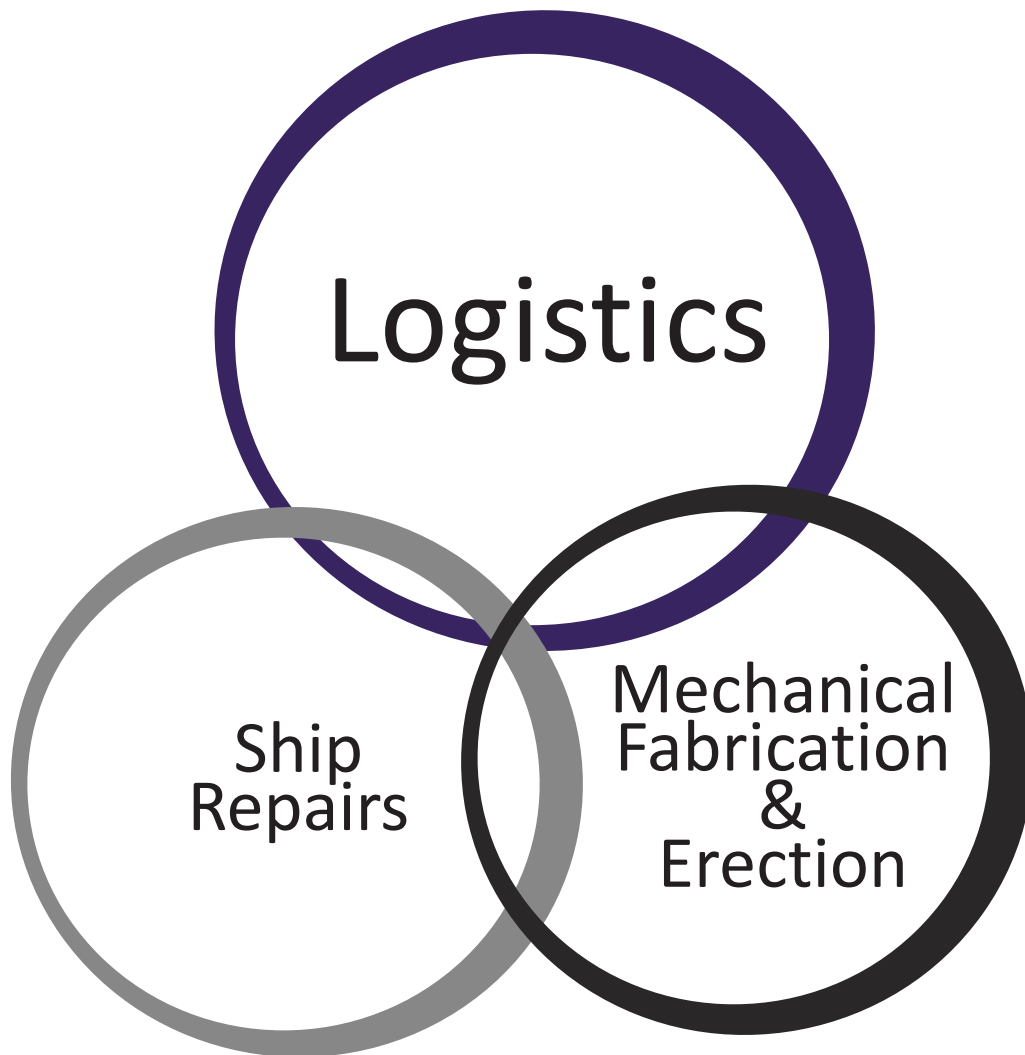

Our Mission

- *Excellence in Providing efficient and timely services to our customers.*
- *Provide the best value to our customers by the use of the best available technology which is both cost effective and environment friendly.*
- *Provide an environment that nourishes and inspire our employees and stretches their innovation and abilities.*
- *To be recognized by our customers as service providers of first choice.*

Values and Ethics

Business Activities:

Since 1988, “Cargo Handling” is the primary business activity of the company, undertaken in several public and private, Government sector undertakings in Orissa and Andhra Pradesh. Marine & Ship Repair activities are also undertaken in Vishakhapatnam Port, Gangavaram Port, Krishnapatnam Port and Kakinada Port.

Mechanical Fabrication & Erection of coal conveyor belt 3.4 Km. and other miscellaneous works at Gangavaram Port Ltd.

An Overview

- We are privately held, Bulk Cargo Handlers in South Eastern coastal part of India having our corporate office at Visakhapatnam, and operations in Andhra Pradesh and Orissa.
- We provide Engineering solutions for bulk cargo handling.
- Currently we are associated with M/s Krishnapatnam Port Company limited as cargo handlers in port operations.
- We have hauled and handled all types of cargo.
- We have our own fleet of 2021 front end pay Loaders, 980H, 966H, 950H Caterpillar pay Loaders, and also Tippers, Hyva Tippers, Excavators, JCB Back hoe Loaders and Chinese Loaders CLG 856.
- Well equipped maintenance support and in house breakdown management ensures immediate attention towards repairs and maintenance of the machines.
- Our services are professionally managed and organized.
- We have qualified, trained engineering professionals and a dedicated team of personnel to render flawless service.
- Based on the nature of operations all types of Heavy Material Handling, and Earth Moving Equipment as required can be planned.

In our pursuit to grow and expand we did make a beginning in Marine & Ship Repairs activities at Visakhapatnam port, Gangavaram Port. We have also taken up the same at M/s KPCL and even Kakinada port. A dedicated team towards this endeavour with a continuous directive to grow is helping this unit to develop further.

Structural Fabrication and Erection was of conveyor belt system also undertaken for the Gangavaram Port & others. We have a separate wing of qualified and trained personnel to take up all kinds of mechanical works and structural erection and fabrication, with a self contained workshop.

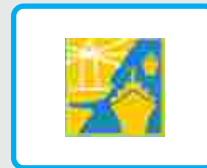

Logistics

Operating in the South Eastern coastal belt as well as in prominent industries spread over the state of Orissa, Andhra Pradesh, our profile includes bulk cargo handling connected with ports and many mega private sectors and giant Public Sector undertakings of repute.

Associated companies:

M/s Krishnapatnam Port Co. Ltd. at Nellore, Andhra Pradesh

Bulk Cargo Handling is the predominant activity, where we have handled all types of Cargo.

Krishnapatnam port company Ltd.

M/s Neelachal Ispat Nigam Ltd. at Jajpur, Orissa

Handling services of raw materials and coal within the factory.

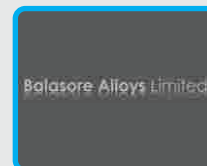

Neelachal Ispat Nigam Ltd.

M/s Balasore Alloys Ltd. at Balasore

Handling of Raw Materials, slag, finished products, fines, chips, quartz, and Briquettes.

Balasore alloys Ltd.

M/s. IMFA (Indian Metals & Ferro Alloys Ltd.) at Therubali

Handling of briquettes and Raw Materials.

Indian Metals and ferro alloy Ltd.

Logistics

M/s Utkal Manufacturing & Services Ltd. at Chowdwar

Handling of Raw Material like quartz, chromo ore (both lumps and fine's), coke and coal.

Utkal Manufacturing & Services Ltd

M/s Rain Calcining Ltd. at Visakhapatnam

Handling of Raw Petroleum Coke, calcined petroleum coke, fly ash, lime.

Rain Calcining Ltd.

M/s Jindal Stainless Ltd. at Sukinda Mines, Orissa

Handling chrome ore and chrome ore beneficiation Plant.

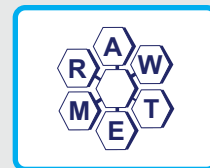

Jindal Stainless Ltd.

M/s RAWMET Ferrous Industries Ltd. at Choudwar, Orissa

In plant Material Handling.

Rawmet Ferrous Industries Ltd

M/s Andhra Cements Ltd.

Handling of Raw Materials and internal transportation of cement.

Andhra Cements Ltd

Ship Repairs & Dry Docking Ship Building
